Turkey Legs (for all but two)

1. That guy whose wife looked downwards when making a greeting. I did not know if she was talking to us or to something else.
2. That guy who was in a hurry. That other guy Charlie's namesake said he was fourth best.
3. That guy who put on a show at the Christmas dance, along with his strange relatives.
4. That guy who used his voice training in an animated way.
5. That haymaker guy who sounds like he is related to Erica. I could tell from his eyes that he was a dreamer.
6. That topless guy who might bite. He previously worked with McFly.
7. That guy who is easy to mistake for that other guy who reared two tigers.
8. That redheaded guy with Daisy's daughter and possibly a dentist.
9. That guy who once worked as a doorman and had a boss exactly like David Brent.
10. That guy who claimed his version of events of his time at the watering hole was entirely accurate.
11. That fully dexterous guy who is said to be like Thor.
12. That guy who is the ex of the ex of that other guy who embarrassed himself with a fox. No, not that guy: the guy who sounds like he plays with a London football club.
13. That guy Buster with the fan club, who also worked with that guy who Robert Davis supposedly said was not the best.
14. That guy who needed a manicure. He won awards for his Soul music.
